Approved by Classified Senate on February 17, 2010

Approved by Associated Student Council on February 19, 2010

Approved by CEC on March 9, 2010

2010/2011 Academic Year

Ranked College-Wide Priorities*

1. Improve the quality of student learning, institutional structures and student support /services through the use of effective strategies such as: enrollment management, Student Learning Outcome Assessment Cycle (SLOAC) process, Basic Skills/grants, etc.
2. Refine and integrate the Program Review and SLOAC processes and demonstrate their link to transparent college-wide planning and resource allocation
3. Identify ways to acquire new resources and/or funding to support college programs
4. Strengthen/expand community and educational partnerships
5. Connect facilities planning and campus safety with the Instructional Master Plan, and plan for smooth transition into facilities under construction
6. Identify creative ways to provide and support staff development

Glossary of Key Terms

Institutional Structure: refers to the departmental organization structure
